

CONSTRUCTION INDUSTRY COUNCIL COVID-19 NOTICE

The Government of the Kingdom of Eswatini has since invoked section 29 of the Disaster Management Act, 2006 and declared a national state of emergency in response to the Coronavirus.

The Council applauds His Majesty's Government for taking a stance to safeguard the well-being of all emaSwati in an effort to curb further spread of the virus.

Reducing Exposure

In that regard, as a regulator with the mandate to promote construction health and safety, we would like to caution contractors to observe prevention measures to mitigate the spread of the virus in all construction sites and implement precautions as directed by the World Health Organisation and the Ministry of Health.

Seeing that we are in the renewal period of CIC certificates, the health and safety of our employees and clients is of utmost importance. As part of our precautionary measures, all clients are encouraged to utilize our email address info@cic.co.sz for submitting registration documents. Registration forms are available on www.cic.co.sz, and for any queries the customer care number is 76700207 or 24049848/1497.

Please note that we have placed hand sanitizers and wipes which we strictly require walk-ins to utilize before entry into the CIC premises for the well-being of employees and the general public.
